

# K-12 EDUCATION EFFICIENCY

TEN helps K-12 Education customers identify energy, water and operational savings opportunities, using PA Act 39 as a contracting or procurement vehicle.

Energy-saving performance contracting leverages project savings into financing for sustainable building improvements.

Performance Contracting enables our customers to implement a wide range of equipment upgrades and facility modernization projects in a budget neutral fashion, all backed by a guarantee of the savings.

## TEN SUITE OF SERVICES

- + PRIME CONTRACTING**  
In-house, turnkey project management & delivery, without change orders.
- + ENERGY ANALYSIS**  
Utility use optimization and fuel source analysis.
- + ENGINEERING**  
Experienced team develops & designs your energy conservation measures.
- + PROJECT FINANCING**
