

CASE STUDY:

WASHINGTON HOSPITAL/HEALTH SYSTEM

CLINICALLY EXCELLENT, EFFICIENT CARE

As part of the hospital's dedication to efficiency and excellent family-centered care, Washington Hospital took advantage of TEN's energy efficiency expertise to implement an interior and exterior "total lighting solutions" installation.

PROJECT SNAPSHOT

Washington Hospital teamed with TEN to implement a high-efficiency LED lighting upgrade.

The Hospital's leadership team insisted on the most modern high-efficiency lighting technology.

TEN's responsibility: to implement this project on schedule, without any interruption to hospital operations.

CUSTOMER PROFILE

Washington Hospital provides great patient care. This lighting upgrade is part of their continuous improvement program that eliminates waste and improves patient care.

The facility-wide LED lighting upgrade is part of our dedication to the efficient delivery of high-quality medical care.
