

HEALTHCARE EFFICIENCY

WE UNDERSTAND...

Everything at a healthcare facility takes a back seat to delivering excellent patient care.

Rising utility prices and crushing budget pressures make energy efficiency projects appealing, as long as the projects don't impact patients or staff.

The best energy efficiency projects address the backlog of deferred maintenance projects without overloading an already over-burdened facilities and maintenance staff. These projects also modernize the facility, helping win the competition for patients.

PLAIN TALK

TEN energy efficiency projects maximize savings and enhance the modernized appeal of healthcare facilities. Our team members address the energy efficiency opportunities on your priority list.

- + TEN implements projects without interfering with the ongoing operations of your facility, leaving staff and patients undisturbed.
- + We work within your contracting / procurement process, bringing invaluable energy and building systems expertise.
- + We offer alternatives, listen to what you want to achieve, and then deliver results. Every time.

COMPREHENSIVE TECHNICAL EXPERTISE

- Alternative/Renewable Energy Solutions
- Battery/Energy Storage
- Building Analytics
- Building Automation
- Building Envelope
- Central Plant Optimization
- Combined Heat and Power (CHP)
- Demand Response
- Distributed Generation
- Energy Infrastructure Resilience
- Energy Recovery Systems
- Fuel Substitution
- HVAC Optimization and Modernization
- LED Lighting Solutions
- Mechanical Insulation
- Metering
- NetZero Building
- Retro-Commissioning
- Solar Installations (all sizes and applications)
- Smart Building IoT
- Smart Lighting Controls
- Street Lighting LED Conversion / Smart Cities Technologies
- Utility Incentives and Rebates
- Waste Water Reclamation
- Water Conservation

- **TEN is a nimble customer focused organization backed by the financial strength and vision of Duquesne Light Holdings.**
- **TEN takes a strict vendor-neutral, totally unbiased approach.**
- **TEN works with local contractors and vendors our customers know and trust.**
